

Day – 1 Cardboard Box Creativity

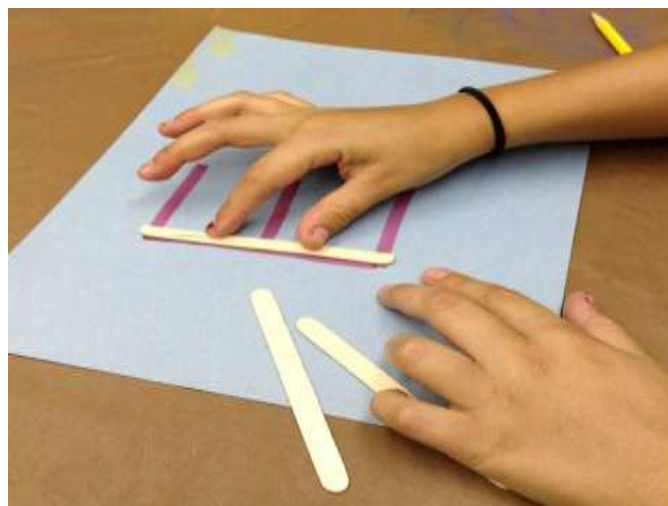

Material Required-

A box, stickers (sticker dots), stamps and coloring/writing implements such as, crayon, pencils and paint. These items are only an example, you can provide several other creative materials such as paint, glue, paper cut-outs, fabric, dot markers etc.

Instructions –

- 1. Take a cardboard box.**
- 2. Keep all the stickers, stamps, crayons, pencils, paints inside the cardboard box.**
- 3. Now let the child design their own creative box.**

Day- 2 Letter of the day- Letter E

Instructions –

Place the four Ice cream sticks to give it a pattern of letter E as shown in the above picture.

Wow! It looks like letter E.

Now lets make E for Elephant

What you need

Colored craft paper
Scissors
Balloon
Craft glue
Googly eyes

Instructions

Select a balloon of the same color as the heart shapes. Glue the balloon in the middle of the card, covering the bottom ends of both heart shapes. The round closed end of the balloon will be the head and the open end of the balloon will be the trunk of the elephant.

Save

Now simply glue 2 googly eyes on the round closed side (the head of the elephant) of the balloon.

Day – 3 Fun with numbers

Material required:

Play dough, some sticks/straws

Instructions

- 1. Take some play dough and ask the child to make numbers (1-5) with the clay.**
- 2. Now the child will be asked to count and pick same number of sticks as that of the number made of clay and place it on top of it.**

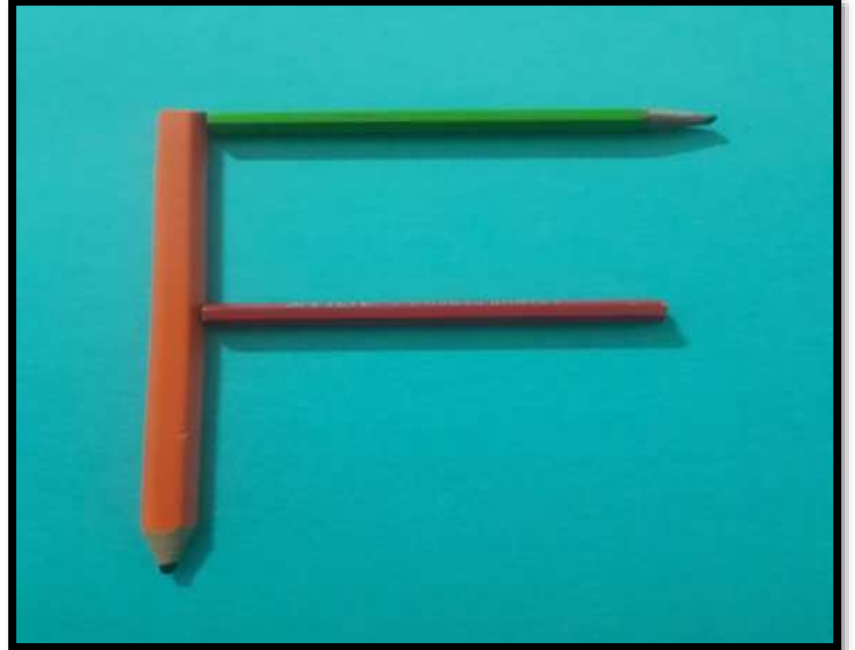

Day – 4 Shapes- Circle
Fun with circle

Instructions –

- 1. Take some salt/flour in a tray.**
- 2. Place the picture or cut out of circle in front of the tray.**
- 3. Then ask the child to trace it in the salt tray.**
- 4. Ask the child to find out different things around him that are circular in shape.**

Day – 5 letter of the day- Letter F

Material required –

Pencil colors/ pencils

Instructions-

- 1. Take three pencil colors.**
- 2. Place one pencil color to form a standing line.**
- 3. Place second pencil color on the top to form a sleeping line.**
- 4. Place third pencil color in the middle to form sleeping line.**
- 5. Now have a look it looks like letter F.**
