Day – 4 Shapes

Fun With Shapes

Material Required-

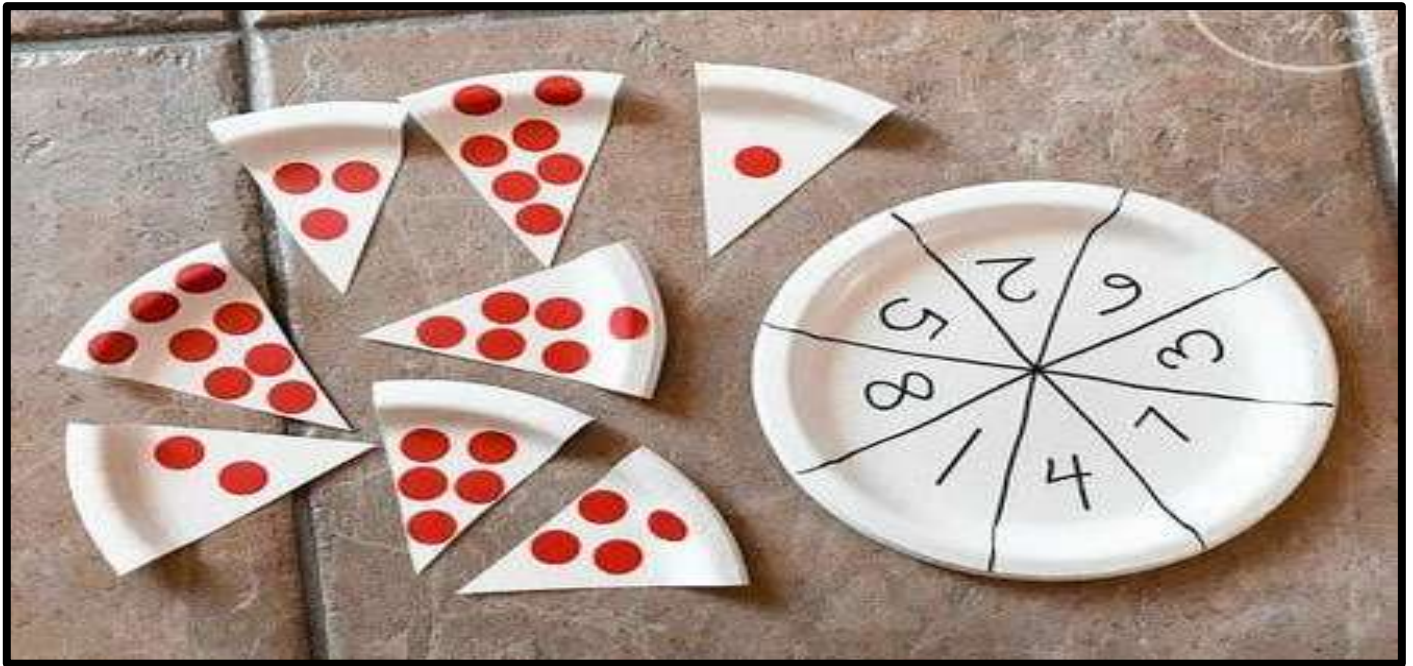

- 1 Cardboard
- Cut outs of different shapes-circle, square, triangles rectangles.
- Bowl.

Instructions-

1. Take a cardboard and cut out different shapes from it as shown in the above picture.
2. Now take the cut outs of different shapes and mix them in a bowl.

3. Then let the child sort the different shapes from the bowl and match them with the shapes found on the card board.

Day – 5 - Number Pizza

Material required –

- 2 thermocol plates.
- Some cut outs of small circle
- 1 black marker and fevicol

A fevicol

Instructions-

1. Take a thermocol plate and cut it into 8 equal triangular pieces.
2. Then take the cutouts of circle and paste the small circles on the 8 triangular pieces of thermocol plate as shown in the above picture.
3. Take another thermocol plate and divide it into 8 equal triangles with the help of black marker and write numbers from 1-8.

4. Now let the child count the small circles on the pizza slices and match it with the numbers written on the plate and make their number pizza.

Note- This activity will help the child to count and recognize numbers.
