Mobile phones are not allowed inside the school premises

Dear Parent,

The Directorate of Education issued an advisory for the schools Vide No. DE.15(305)PSB/2020/Pt.File-III/7100-7104 dated 10.08.2023 advising schools to regulate the use of mobile phones in the school premises.

The school has previously issued various circulars and notices many times requesting parents not to use mobile phones in the school premises during school hours. The parents are therefore reminded again that the use of mobile phones in the school during school hours is strictly prohibited. Students are not allowed to bring mobile phones to the school, no exception.

Similarly parents are also requested not to use mobile phones and switch off or put them on silent mode or keep them in their vehicles when they visit the school for any purpose such as visiting school office or attending Parent Teacher Meetings. This helps to maintain a quiet environment. In case they need to use the phone, they can move out of the school premises to ensure that others are not disturbed by phone conversations.

Thank you for your understanding & cooperation.

Regards,

Principal
