SHIV VANI WINS THE PRESTIGIOUS INTERNATIONAL SCHOOL AWARD

Dear Parent,

You will be glad to know that **Shiv Vani has been accredited with the British Council's prestigious International School Award for the period 2017-2020** in recognition of our work to bring the world into the classroom. The International School Award is a global benchmarking scheme that accredits schools in appreciation of their outstanding work in international education. Fostering an international dimension in the curriculum is at the heart of the British Council's work with schools so that young people gain the cultural understanding and skills they need to live and work as global citizens.

We believe that as a school community, we learned a lot from working with our international partner schools. I would like to congratulate all students who took part in these activities and thank the teachers for their unstinted guidance and excellent team work.

We hope that our international activities will continue to develop and benefit the school and provide an enriching learning environment where students will experience a good opportunity to learn from other cultures and languages. In addition to this, we are committed to using the international dimension to broaden pupils' awareness, knowledge, and understanding of moral, social, cultural and spiritual values.

I would like to thank the Shiv Vani family as this achievement was possible due to excellent co-ordination and team spirit of the management, staff, students and parents!

Regards,

Principal
